

# APPLICATION FOR WAITLIST

Children are placed on the waitlist according to date of application. Waitlist priority will be given to siblings of children currently enrolled at Grow U. Openings are filled from the waitlist as soon as a space becomes available. Once a space opens up, the next family on the waitlist with a child of the appropriate age will have the option to either accept the spot (start their child or pay the full tuition until they are ready for their child to start) or decline the spot, in which case Grow U will go to the next child of the appropriate age on the waitlist. Due to these factors and the number of names on the waitlist, Grow U cannot guarantee or predict a start date at the time of application.
